Are you

INTERVIEW READY?

A public interview challenge. Six questions, independent agents, one signature from us. Nobody has passed yet. We're looking for just one.

SEASON 1 · 0 APPROVED

WHAT WE DO

A PUBLIC INTERVIEW *nobody has passed.*

FOR CANDIDATES

FREE PRACTICE

Six real interview questions, answered out loud, and a coach report that shows exactly what to fix.

FOR EVERYONE WATCHING

ONE PUBLIC BAR

Same questions, same panel, for everyone. A live counter that still reads **0 approved**.

FOR THE ONE

FOUND, LOUDLY

The first person every judge approves gets our signature and a public announcement.

> The bar is set by five independent agents. Here's how they judge.

HOW IT WORKS

FIVE INDEPENDENT AGENTS.

They never see each other.

SEAT 1 · NOT

CLARITY

xAI Grok

Clear, structured, to the point?

SEAT 2 · NOT

OWNERSHIP

xAI Grok

What did you actually do?

SEAT 3 · NOT

JUDGMENT

Claude Sonnet

Why that call?

SEAT 4 · NOT

IMPACT

OpenAI GPT

What changed because of you?

SEAT 5 · NOT

CREDIBILITY

OpenAI GPT

Does it hold up?

01 · READ

Every candidate gets the same six questions, word for word. No AI interviewer.

02 · ANSWER

Candidates answer out loud in the browser. One take per question.

03 · REPORT

Everyone gets a full report: every verdict quoting their words, content and delivery scores, what to fix.

04 · PASS

Every criterion 4/5 or higher from all five, three runs in a row. Then we sign and announce the one.

PRECEDENT

SCARCITY GETS *attention.*

LISTEN LABS, 2025

One billboard puzzle

Views	~5M
Solved it	430
Interviewed	60
Series B, months later	$69M

BEST JOB IN THE WORLD, 2009

Tourism Queensland

Applicants	34,684
Countries	200+
Hired	1
Media value (est.)	$200M+

BUSINESS MODEL

THREE WAYS TO EARN.

We'll pick with data from Season 1.

SPONSORS

SPONSORED SEASONS

A company puts its name on a season, the way companies host Kaggle competitions.

CANDIDATES

PAID PACKAGES

Role-specific interviews, each with the full candidate report, priced well under a coach.

ATTENTION

AUDIENCE ENGINE

Free to attempt. The public search builds an audience for everything we launch next.

COST PER ATTEMPT **$0.03** transcription **$0.05–0.12** fifteen judge verdicts, 5 judges × 3 runs

Estimate at Azure list prices (Anthropic, OpenAI, xAI), Sept 2026. One attempt is 6 answers of up to 90 s.

RAISING A PRE-SEED ROUND.

JINANE AMAL
Cofounder. Data scientist, trained at Paris Dauphine-PSL.

KIARASH ADL
Cofounder. MIT EECS, CSAIL researcher. Builds and ships agentic AI products.

Are you the one? Probably **not.** Somebody is.
